**Communication skills**

Good communication skills acquired from my professional activity, which implies pleading in court, developing a relationship with clients and fellow colleagues.

Excellent communication skills in English, including Legal English, skills often applied in my professional activity, especially regarding litigation with foreign elements- communicating with lawyers, notaries public, clients and parties from different states

Speaker Elite Public Speaking Course (10 weeks of public speaking techniques) by Andy Szekely

**Organizational skills/  
management**

full-right lawyer in my own practice, full scale of skills regarding the management of this type of law firm

**Skills acquired at the workplace:**

- good knowledge of case-law
- continuous improvement of public speech due to the day-to-day pleading in court
- multitasking,
- respecting almost impossible time-limits,
- mobility,
- good communication with parties implied in challenging activities

**Computer skills**

informatics diploma received after examination, as a mathematics and informatics class graduate

## Professional achievements

-legislative initiative, in my professional activity, regarding:

+ changing the professional title of dentistry faculties graduates from Romania from "medic dentist" to „doctor-medic dentist” 2012- present day,

+ changing art. 1 from O.G. nr. 1/2000 (Romanian type of legislation enacted by the Government) regarding the organization of the activity and the functioning of forensic institutions,

- litigation portofolio won for the clients,

- I have fought, partially succeeded and will continue to struggle for the continuous education of the clients in the spirit of acknowledging the need for a permanent attorney, that can be contacted for any juridical issue in the second advice is needed, so as to prevent rather than fix difficult situations

## Publications
